On December 23, 1992, Convergent Communications, Inc. ("Convergent Communications") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

Convergent Communications is an Oklahoma corporation, proposing to resell long-distance services from carriers certified to provide telecommunications services within the Commonwealth of Kentucky, in accordance with the terms and conditions set forth in its tariff. Convergent Communications is not seeking authority to provide operator-assisted telecommunications services.

Convergent Communications does not own transmission or reception telecommunications equipment or facilities used to provide its services. All operating facilities, equipment, and networking will be provided by the certified underlying carrier.

In Convergent Communications' February 22, 1993 response to the Commission's February 5, 1993 Order, it informed the Commission

that money had been collected for non-certified service. This alleged violation was resolved in Case No. 93-102 by Commission Order dated July 6, 1993.<sup>1</sup>

The application provided by Convergent Communications demonstrates its financial, managerial, and technical capability. The rates proposed should be approved as the fair, just, and reasonable rates to be charged.

The Commission, having considered the application, the information provided by Convergent Communications, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Convergent Communications be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. Convergent Communications shall comply with the provisions of the Orders in Administrative Case No. 323.<sup>2</sup>

3. Convergent Communications' authority to provide service in this Commonwealth is strictly limited to those services described in this Order and Convergent Communications' application.

4. The rates proposed by Convergent Communications are hereby approved.
